For Immediate Release

Atlantis Architectural Solution Simplifies the Complexity of International Building Material Trading

Sassuolo (MO), Italy — 2025 — Atlantis Architectural Solution, a leader in premium building material supply and consulting, announces its continued commitment to transforming the way architects, contractors, and developers bring their visions to life. With a unique 360-degree service model, Atlantis goes beyond supply—providing logistics, technical guidance, and tailored solutions that ensure every project is executed with precision and reliability.

Founded with the mission to *"simplify complexity and turn possibilities into achievements,"* Atlantis has grown into a trusted partner for projects of every scale, from bespoke residential interiors to large-scale commercial and urban developments.

Premium Materials, Complete Systems

Atlantis' portfolio includes:

- **Porcelain Tiles** – versatile, high-performance surfaces for interior and exterior applications.
- **Natural Stone & Large-Format Slabs** – carefully curated selections offering both strength and design flexibility.
- **Bathroom Collections** – premium solutions combining refined aesthetics with advanced technical functionality.
- **Façade Systems** – engineered ventilated façade and cladding solutions that balance aesthetics, performance, and energy efficiency.

Complementing its product range, Atlantis provides adhesives, grouts, and installation accessories—ensuring consistency and durability across every stage of construction.

A Proven Track Record

Atlantis has supplied iconic projects such as *Maison Dada*, *Ciel et Jardin*, *Ociel Tower*, *Lilas Residence*, *The N Project*, and *Garden City*, supporting them not only with top-quality materials but also with design consultation, precision cutting, and full logistical support.

Why Atlantis?

Choosing Atlantis means choosing:

- **European Quality** – premium surfaces sourced for both performance and design.
- **Integrated Services** – from logistics to finishing.
- **Trusted Partnerships** – working hand in hand with architects, developers, and contractors worldwide.
- **Commitment to Excellence** – a relentless focus on precision, reliability, and trust.

"At Atlantis, we are not just suppliers. We are partners who stand with our clients at every stage—ensuring their vision is realized with confidence and success."
