INTRODUCTION

At Surfaces, we believe great flooring is the foundation of great spaces. For decades, we have been delivering high-quality flooring solutions for prestigious projects across the Middle East, Africa, and CIS countries. Our experience, reliability, and commitment to excellence have earned us the trust of clients throughout the region.

We take pride in offering a wide range of flooring options, from hand-made and hand-tufted carpets crafted with exceptional attention to detail to precision-engineered machine-made collections. Whether providing ready-made solutions or creating bespoke designs tailored to unique visions, we approach every project with care, craftsmanship, and a passion for quality.

ABOUT US

Surfaces Furnishing is a comprehensive interior and outdoor solutions brand, specializing in flooring, curtains, upholstery, furniture, outdoor shading systems, and lighting. With over three decades of experience, we have continuously evolved to meet the demands of increasingly sophisticated commercial and residential markets.

Our operations are supported by specialized divisions serving the contract, distribution, and retail sectors, enabling us to deliver large-scale and prestigious projects with efficiency and precision. Driven by innovation, value engineering, cost-effective solutions, and sustainability, we approach every project with a forward-thinking mindset.

From initial design and development to seamless installation and proactive maintenance, our dedicated team is committed to exceeding customer expectations at every stage. Customer satisfaction remains our guiding principle, fostering long-term partnerships built on trust, respect, and shared success. As we continue our journey of growth, we proudly serve clients across the GCC, MENA region, Central Africa, and CIS countries.
